ORDER

1. Newsome's application to proceed *in forma pauperis*, Doc. 1, is denied as insufficient. The Court cannot tell exactly what assets she has and whether she can pay the filing fee. To establish need, Newsome must therefore complete a new application identifying her current assets, income, and expenses.

2. The Court must also screen her complaint. 28 U.S.C. §1915(e)(2). The Court's rules require a short and plain statement of facts that show a plausible violation of some particular law. FED. R.

Civ. P. 8(a); 28 U.S.C. § 1915(e)(2)(B)(ii). Newsome claims harassment and abuse, both physical and financial, but does not specify how she was harmed, who harmed her, and what law, federal or state, these actions violated. *Doc. 2 & 3*. The Court needs to know particulars.

3. Newsome must file a new *in forma pauperis* application and a second amended complaint by 5 June 2020. If Newsome does not comply, the Court will dismiss her case without prejudice. LOCAL RULE 5.5(c)(2).

So Ordered.
